A message from the organiser, Trevor Hopkins

This gig is dedicated to Chez 'The Kick Ass Woman' whose fighting spirit inspired me to do this. Chez faced challenges head-on with a determination that fueled my own drive. Her resilience echoes in every beat tonight, a tribute to her indomitable spirit that continues to inspire Trevor Hopkins (Myndsafes Organiser) and many others.

Carl Palmer (Emerson, Lake & Palmer) (Asia)
Hosted by Carl Palmer, English drummer, co-founded Emerson, Lake & Palmer and Asia. Known for dynamic, jazz-influenced drumming, he's a revered figure in rock music.

Voodoo Sioux

Voodoo Sioux are a 4 piece, bass driven hard rock outfit, hailing from Walsall in the West Midlands and Shifnal in Shropshire.

Taxis for Jesus

Taxi for Jesus features four ex-Trevor Burton Band members: Maz Mitrenko, Bill Jefferson, Pez Connor, and Stuart Ford. They respect the band's music but aim for a unique style and set in their new project.

The Westlands

The Westlands, a UK country group, formed when Emma Norman and Steve Nunn, long-time songwriters, joined forces after years of collaboration.

Patti Cooper

Gaining attention with an Irish band in Sutton Coldfield, Patti joined blues band Big Dipper with guitarist Ivan Bryan and bassist Tony Hill. Later, fronting the Patti Hart Band and joining She's the Boss, performing covers at venues such as Ronnie Scott's in Birmingham.
